ANNUAL REPORT 2010-2011

Dear Family & Friends of Althoff Catholic:

We are pleased to present you with the Annual Report for the 2010-2011 academic school year. Thanks to your unwavering generosity, we continue to move forward with the school's curricular and extra-curricular programs. As the principal of Althoff Catholic High School, I was elated to see the continued commitment of our students, parents, faculty and staff. It is such commitment that makes me excited about being a part of Althoff Catholic.

There is a nationwide trend of decreasing Catholic grade school enrollment, thus the decrease in Catholic secondary enrollment is affected. Couple this with the current economic uncertainty in our country, it is easy for us to recognize cause for changes in our enrollment over the last several years. Now, if we also consider the demographics of today's family size compared to the 70's and 80's when a lot of us were in high school - families with 7, 8, 9, 10 children were not uncommon. Family sizes are much smaller today, consequently our enrollment reflects that fact. We may be a smaller school, but we are a strong school thanks to the quality of your children and what they accomplish as students here at Althoff Catholic. We are strong because of you - the parents, grandparents, and all of our supporters allowing us to team with you in the education of your children and grandchildren - because together we know what we need to do to help these young people grow into confident, faith-filled individuals, prepared to face the challenges of their adult lives.

With the assistance of our School Board and finance committee, we are able to run our school in a more cost efficient manner without jeopardizing the education we are committed to providing our students. We have been able to keep our tuition one of the lowest in the metro east. We are committed to spending your tuition dollar as efficiently as possible. Our annual fund, golf tournament, calendar drive, benefit dinner and the auction help supplement the difference between tuition and the actual per student cost of education.

I would like to take this opportunity to thank all our present parents, parents of alumni, grandparents, friends, businesses, faculty, and staff for their monetary donations and also for their countless volunteer hours. It is this continued tradition of altruism that keeps Althoff Catholic strong leading the way, by example, for our future generations. We are committed to our community to remain vigilant, to continue to be the standard for academic excellence; but to never waiver from the one thing that always remains constant and will always sustain us, our Catholic faith.

We thank you for your continued support and dedication to our students.

Sincerely,

David L. Harris, M.S.

ACADEMY OF NOTRE DAME CLASSROOM

Congratulations and a special thank you to the alumnae of the Academy of Notre Dame who came together in support of VISION 2009 and actively sought donations to obtain the naming rights for an Althoff Catholic classroom. This classroom is named in honor of the Academy of Notre Dame and was dedicated on September 19, 2010 with a special Mass and ceremony for the alumnae. Memorabilia, reminiscent of the all girls academy, hang in the classroom which is located on the first floor near the chapel at Althoff Catholic. We are grateful to the Notre Dame alumnae for their support and generosity in continuing the VISION and keeping Catholic education strong in our area.
